

# BAZZEL BAZ

**Child Rescuer**  
**Former CIA Officer**  
**Actor - Blacklist**  
**Author/Writer**  
**Anti-Terrorism Consultant**  
**Former US Marine counter-terrorism Officer**

He's got an unusual name and an even more unusual vocation. He clandestinely rescues those missing children that authorities can't find or have given up trying to reunite with their custodial parent. Bazzel Baz has long operated in the shadows since 1991. He is the founder of The Association For The Recovery of Children. The Association for the Recovery of Children (ARC) is a 501(c) (3) non-profit organization comprised of former and active Intelligence, Military, and Law Enforcement personnel, dedicated to the recovery of missing and exploited children, foreign and domestic. In recent years that has included the fight to stop human trafficking.

Baz is a former CIA officer who takes on the most impossible cases. And he doesn't charge the heartsick family of the missing a penny. With volunteer help from other retired intelligence officers, Baz travels all over America and the world, covertly getting in and out of countries some of us can't even pronounce. His goal is getting children back to where they belong. So far, Baz and the boys have a 100% success rate.

He pays for his rescue missions out of his own pocket using his savings or the money he earns from various consulting jobs. Your donations to the organization are welcomed blessing. You can read more about ARC on the website at [www.RecoveryOfChildren.Org](http://www.RecoveryOfChildren.Org)

Today Baz travels nationally and internationally to provide breakthroughs to awesome performance with an uncanny ability to bring simple solutions to complicated scenarios. He is a well sought after motivational speaker and has been called "The Life Guarantor." Co-Executive Producer and Host of CBS Television Reality Show, "Recovery". Baz is a Spokesperson for CNN, MSNBC, CBS, NBC, etc. for the 'War on Terrorism"; and so much more!

His newest book will be available (autographs): "Something Bigger Than Overthrowing Small Governments".
