

# CROSSROADS OF PARENTING & DIVORCE™

Divorce may be the most significant event in your child's life. However, it's not the event of divorce itself that has the greatest impact on your child; it's the way in which you choose to respond to divorce. What you do during and after divorce will make the difference between your child thriving and your child bearing the scars of divorce for years to come.

*Crossroads of Parenting & Divorce* is a five-step seminar designed to prevent divorce abuse—a specific type of emotional abuse that divorcing parents inflict when, in their anger and bitterness, they lose sight of their child's needs.

The *Crossroads* seminar employs video, discussion, small group interaction, skill practice, and other proven techniques to provide guidance for a successful journey through divorce for both you and your child. It will help you become aware of how your actions may inadvertently harm your child while providing you with the skills to maintain a child-focused relationship with your co-parent and minimize poor choices amidst conflict and loss.

## You will learn 5 Steps:

- STEP 1** Keep Your Child Out of the Middle
- STEP 2** Allow Your Child to Love Both Parents
- STEP 3** Work On Your Own Recovery
- STEP 4** Develop New Communication Patterns
- STEP 5** Create a New Relationship as Co-Parents

*Crossroads*: Your child needs this from you now more than ever—and you do, too.
